FROM THE CLOUDS THEY DIVE, THE SCREAMS OF BATTLE IN THEIR LUNGS...

Become The Falconeer and soar through the skies aboard a devastatingly powerful Warbird. Uncover secrets lost to the sea as you join or oppose different factions and clans scattered throughout The Great Ursee. Take advantage of multiple Falconeer classes with individual stats, weapons and warbirds that can be upgraded through winning battles, completing quests, discovering secrets, or applying Mutagens or Chants. Use ocean thermals and energy to dive, dodge, barrel-roll, and twist to gain an advantage.

The Falconeer is an open-world air combat game, featuring fast, brutal aerial dogfights and deep exploration of an incredible fantasy open-world set not only above the clouds but also amongst the waves and down through the sunken, ocean depths.

EXPLORE AND FLY

The Great Ursee is an ancient place, filled with beautifully detailed locations to find and explore, not only above the clouds, but also below the waves. Discover sparks of order and civilization as well as wild and dangerous coasts filled with treasure, pirates, lost technology and amazing creatures.

FAST, BRUTAL DOGFIGHTING

Combat in The Falconeer is fast, brutal and devastating. The unique abilities of Warbirds allow for an unparalleled level of control and movability, creating epic fights with mounted enemies such as War Falcons, Weaver dragons, Mantarays and Razorbeetles.
